

INNODERM  
Aesthetic Clinic

## Access Statement

**INNODERM CLINIC** offers wheelchair access for patients, with a dedicated accessible entrance and wheelchair ramp to assist with entry, plus disabled toilets.

For visually impaired patients, we offer the opportunity to have an escorted tour of the public areas of the facility to help to familiarise with the layout of the building.

We can offer translation services where necessary and please refer to our Chaperone Policy for more information regarding having someone accompany you at a consultation/treatment.

Please contact us for assistance on this matter: [info@innodermclinics.co.uk](mailto:info@innodermclinics.co.uk)

We are committed to equality and diversity in accordance with the Equality Act 2010 and the Disability Discrimination Act 2005.

Where necessary, and in the case of an emergency situation where the current premises are unable to be used, we can carry out appointments/consultations virtually.

If for any reason we are unable to provide the service to patients we will, where possible, provide patients with details of an alternative local treatment facility.
